37        <p><strong>Biography: </strong></p>
38        <p>
39          I am a professional computer programmer and former sales man in finance and technology.
40          My areas of interest and expertise are in Javascript, MERN/MEAN stack programming, SQL, noSQL,
41          Linux operating systems, React.js, backend programming and application of data structures and
42          algorithms. I have a Bachelor's degree in Computer Science and a Master's degree in Economics.
43          I am Tevin Carter and I grew up in NJ. I reside in New Jersey and ever since I was a child I
44          was interested in computers and programming. I programmed my first computer when I was 8 and I went to Passaic Valley Regional High Sch
45          Little Falls, New Jersey. I went on to study Computer Science and Economics in New Jersey at the University of Rutgers. I then went on
46          career in sales and then became a stock broker but then when COVID-19 hit I decided it was time for a career change. I began selling MC
47          my skill set eventually after much study I was able to complete a bootcamp at AppAcademy then I went onto Perscholas and now
48          I work full time as a software engineer.
